

Practical Examination by way of Special Assignment, May 2021
S.G.T.B. Khalsa College
B.Sc. (H) Computer Science, Semester-VI

Unique paper Code: 32347608

Paper Name: Introduction to Data Sciences

Duration: 9:00AM to 6:00PM (6st May, 2021)

Instructions

1. There exist **3** different sets. Kindly check yours from ***Set_Nos.pdf***
2. Each question must be saved as comment followed by the solution in the .R file.
3. Completed assignments must contain both
 - a. **.R file**
 - b. **.pdf file** containing the solutions (questions, solutions, plots etc.).
4. The presentation of your work (in pdf file) is extremely important. Be elaborate and creative.
5. Clearly mention the ***Name, roll no and course*** on the first page of the pdf.
6. The solutions (pasted in pdf files) must be clear and legible else will be marked 0.
7. Copying of answers from friends / Internet will surely be caught and will **not be considered leniently** in any way.

NOTE:

- For any queries, contact on vidhi@sgtbkhalsa.du.ac.in
- **Do not** WhatsApp or message your doubts.
- **Do not** mail to confirm answers or ask random questions in lieu of queries. Only valid queries will be answered back.
- Students are allowed to draft **one** mail only. Post all the queries in one go.
- Multiple mails are strictly discouraged.

Kindly adhere to the above protocol and deadline. Late submissions will not be entertained.

All the best
